St. Luke's Anglican Church

A Hubbards Landmark since 1848

Print from 19th Century Photo
by Rev. Joseph W. Norwood

St. Luke's Church has been serving the Hubbards area for **175 years** and stands as a significant landmark in our community. Whether you are on your way to the Shore Club, heading to the beach or just driving by you will see St. Luke's Church sitting prominently on the hill, overlooking Hubbards Cove, surrounded by monuments to many community pioneers.

Maintaining the integrity and appearance of such an old and historic structure is becoming increasingly onerous. We believe that most people in the community want to see St. Luke's continue to be the landmark they can point to with pride.

Therefore, whether you are a member of the congregation or have no interest in the church as an organization, we think you will appreciate the opportunity to contribute to a fund dedicated to the **external** maintenance of St. Luke's.

Some of the most noticeable external maintenance which has been completed over the past five years include exterior painting, new concrete steps and walkway, new outdoor plants and gardens as well as repairs to the roof caused by storm damage. Over the next five years additional maintenance activities will include ongoing repairs to the roof, upgrades to external wheelchair ramp and emergency exit stairs as well as other environmentally friendly upgrades.

Donation options for the 175 Fund are listed below. Tax receipts will be issued.
