JULY TO SEPTEMBER 2024

St. Luke's, Hubbards

St. Mark's, Mill Cove

The crew removing the stained glass window from the front of St Mark's Church in Mill Cove. The window was threatening to fall out due to weather damage to the frame and surrounding wood work. It was an agonizing decision but the cost of restoration was prohibitive. The window has now been removed entirely and the space closed up. The window is in the church and the parish is considering ways that the window can continue to be appreciated.

The Reverend Brianna Andrews, Rector of The Parish of French Village and Regional Archdeacon, has accepted an appointment by Bishop Sandra Fyfe to be Priest-in-Charge of The Parish of St Luke's effective September 1, 2024 for the period of one year. The Reverend Ann Turner, Diocesan Executive Director will continue to celebrate Holy Communion twice per month and assist in other ways. Other services will be led by the Deacon or Licensed Lay Ministers.

Left: On July 21, 2024, the first of a series of monthly parish services was held at St. Mark's Church in Mill Cove to continue through October. It was very nice to see such a great crowd! It was a beautiful day with a wonderful view of the waters of St Margaret's Bay through the double front doors.

Below: Getting ready for Two Coves Café on July 25th amidst all the flowers and gear from the filming the day before upstairs. The flowers were left to use as we could. Paula was able to use some to decorate the church for Sunday service. St Luke's was a set for the upcoming NBC/Prime series, "We Were Liars" being shot in various locations on the South Shore and Halifax.

Café
CHURCH

On Sunday, July 28th, 2024, Cafe Church celebrated 1 year in our parish!

Above & Below: Cafe Church continues to offer lots of food and is also pet friendly.

During the Summer we had the walls and trim in the hall were completely re-painted. It is so much brighter and fresh looking. Many, many thanks for the support of Anglican Church Women, Aspotogan Heritage Trust, provision of hall rental funds by Parish Council and for all those who worked so hard to get the hall ready for painting and put it back together.

The Annual St Luke's Variety Show was held on August 6th at The Shore Club. It was the most successful show to date. ACW made a total of \$3,544.45 at the show. ACW would like to thank all those who organized or performed in the stage show, those who organized, helped at or donated to the various tables and those who helped in any other way. We especially thank all who patronized the show. And, last but not least, we thank the Harnish family for donating The Shore Club as they have done every year from the beginning.

Susan and Patrick Aulenback donated and planted several maple trees in St Luke's churchyard and in Bishop's Park.

On Sunday, August 11th, St. Luke's held its annual food bank service. Thank you to everyone who came out to support our local food bank.
