Outdoor Food Bank Service

On Sunday, August 9th, we held our annual Outdoor Food Bank Service at the Gazebo in Bishop's Park. We accepted donations, both food and monetary, for the Hubbards Area Food Bank which is operated by the Fox Point Seventh Day Adventist Church. Our speaker was Peggy Conrad, the coordinator of the Food Bank. Above left: Some of the folks gathered for the service. Above right: Peggy Conrad speaking to the gathering.

St. Luke's 78th Annual Variety Show

ACW would like to thank all those who donated, baked, helped to set-up/tear down, work the sale and those who came out to the Shore Club for our 78th Annual Variety Show on August 3rd. Many thanks also to the Harnish Family and to Amy and Jason Reid. We made a record breaking \$4,226.40 at this year's very successful show which was dedicated In Memory of Andy Hare. Blessing of the Back Packs

Rev. Canon David Fletcher is back with us for a while. He has agreed to celebrate Holy Communion in St. Luke's and St. Mark's for the next few months pending more permanent arrangements. Shown here with Deacon Jerry and LLM Lyda on September 6th at St. Luke's. David last filled in a year or so ago and was Education for Ministry mentor to several St. Luke's graduates.

On Sunday, August 30th, Licensed Lay Ministers Lyda Miller, Jackie Snair and Clair MacInnis led a joyful Morning Prayer service of blessing of the back packs. It was a worship service to lift up our young people and all who care for them and teach them. The chosen hymns were all childhood favourites and the liturgy included the cares and concerns of children, parents, and teachers.

The children were invited to come to the front of the church to receive a blessing – they were asked to open their hands and imagine the words dancing, floating and fluttering all around and watch them as they land on your hands. They also received bookmarks and a colouring page to remind them God is always with them.

We were all sent out with the benediction to go out into the beautiful world that God has made, filled with loving kindness for ourselves and everyone around.

St. Luke's 2nd Annual Repair Café

The second annual St. Luke's Repair Café was held in the Parish Hall on September 19th. It was another great success with many knowledgeable people repairing and giving advice on electronics, bikes, small appliances, plants, clothing and textile repair and more. Admission and all services were by donation. Funds raised at this and other Outreach projects are returned, in some way, to the community. This time the \$440 raised will go to assist the Lion's Club with their new roof. Thanks to all who participated so generously. Below Left: Alan Carver, aka The Mad Scientist with one of his clocks. Art Show and Sale at St. Mark's

The first Art Show and Sale at St. Mark's on August 29th was a huge success! 10 local artists displayed a variety of mediums including rug hooking, acrylics, quilting, wool felting and more. The community showed up to take in some fabulous art and chat with artists. One artist was encouraging visitors to try their hand at hooking. There were also a couple of musicians with guitars adding to the enjoyable afternoon. Everyone visiting expressed that they hoped to see more events happening at St. Mark's in the future.
